Nippon NEWSFLASH

Student Fusion group with children from Sendai area.

Dear Family and Friends,

Thank you so much for your prayers during our final weeks of the summer term and the Student Fusion event! The summer term ended with two of our students, Chiemi and Ryohei, choosing to make professions of faith in Jesus Christ! It was such an encouraging finish!

About one day after our students left, a Student Fusion team from the states came to SYME for two weeks! They had some Gospel Story Arc (the method of sharing the gospel we use here in Asia) training and practice. They were sent out as teams to six different locations in Japan and one of the teams stayed here in Karuizawa. Each team worked with missionaries, churches or ministry organizations. They helped with English classes, events, work projects, and campground and retreat center staff. For their last few days in Japan, they returned to SYME for debriefing and one final English outreach event in Karuizawa.

We were able to reconnect with and help out our fellow missionaries and Christian organizations as well as making new contacts. We were also blessed to hear that a young girl at one of the English events made a profession of faith! The church we were working with is now connected with this young lady for further discipleship! Below are many pictures from our time together during Student Fusion. Thank you once again for praying and for your financial support!

In Christ,

Karina Thrush
