Psalm 96:3

Nippon NEWSFLASH

Thank you family and friends for your faithful prayers and support of the ministry here at SYME! When I was a high school student, the Lord gave me a desire to be a full-time missionary in some capacity somewhere in the world. God led me to the Bible Institute in NY for two years of study and two years of work to apply what I had learned in the classroom.

Then, the Lord opened a door for me to serve at SYME in Japan as a cook. I have been here for three years and I absolutely love my job. I also love the opportunities for discipleship and evangelism with our students here and with others through community English classes. I have seen the Lord save students and change lives!

Now, I believe the Lord is leading me to become a full-time missionary with Word of Life in Japan. It is my plan to attend the Missionary in Training Candidate School (MIT) that will take place January 20-26, 2018. If I am accepted as a full-time missionary, I will then return home for about seven months to raise full-time support.

It is my goal to return to Japan by September 2018 and begin language school at the Yamasa Institute in Okazaki. After studying Japanese for two years, I plan to return to SYME to serve in my current role as a cook. Pray for me as I prepare for this new chapter in my life. Please also begin praying about how God may use you to partner with me in reaching the people of Japan with the gospel of Jesus Christ.

Bible Club Team #2 overcame the challenges of teaching about “Doing God’s Will!” They did an excellent job and learned a lot about teamwork!

These students and staff are ready for Family Time! On Wednesdays, Thursdays, and Fridays, we meet together in groups to share what we learned in our Quiet Time.

Join me in Prayer!

Pray for our students as they learn to work together and grow together.

Pray for discernment for staff as we encourage and challenge our students to take the next step in their walk with God.

Praise God for 3 of our former students: Johnny, Marissa & Solomon who have begun their studies at the Word of Life Bible Institute in Jeju, Korea!
