

# Nippon NEWSFLASH

“Moses said to the people, ‘Do not fear, for God has come to test you, that the fear of Him may be before you, that you may not sin.’”  
Exodus 20:20

## It's official!

God continues to keep the door open for full-time ministry in Japan! During my time in New York at the Word of Life candidate school, I was officially accepted as a Word of Life full-time missionary. We had a week of training, preparation and practice for being a missionary and raising support. I am super excited to see how God provides for me as I begin to raise support to return to Japan.

## Students are coming!

In just a few short days Senri, Yumi, Chiemi and Ryohei will be arriving in Pennsylvania to begin their American experience! Each of them were students this year and Senri, Yumi and Chiemi graduated in December. All of them except for Yumi trusted Christ as their personal Savior this year at SYME! Yumi was a believer before studying at SYME. See the February Prayer Calendar to find out where we will be and how you can be praying for us!

Thank you for encouraging me through emails, prayer and support! I look forward to catching up with many of you soon!

### Join me in Prayer!

Praise God for safety in traveling and continue to pray for safety as I will be traveling a lot in the month of February.

Pray for Senri, Yumi, Chiemi and Ryohei as they prepare to come to the states on February 1st.

Pray for wisdom to know how to encourage and challenge our students to take their next step in their walk with God while they are in the states.

So many Bible Institute students went forward to dedicate their lives to serving the Lord wherever He may take them someday! It was so awesome to see how the Lord is raising up the next generation to reach their generation for Christ!
