

“Answer me, O LORD, answer me, that this people may know that You, O LORD, are God, and that You have turned their heart back again.”

1 Kings 18:37

Nippon NEWSFLASH

Saying Good-bye

We had a wonderful time with Senri and Yumi while they stayed at our home for the month of February. God answered our prayers in giving me opportunities to talk to them about their walk with God and their concerns about returning to Japan. Senri is now working two jobs to help pay for her up-coming year at the Bible Institute in Jeju, South Korea. Bethany has accepted a position at SYME to help our financial administrator. We are so excited for her to be serving with us at least for this year!

“I can’t see God directly, but through people I could feel God working. In Japan it is difficult to see God’s Word in action.”

—Senri

This was a comment Senri made when I asked her what was something she learned while she was in America. Keep praying for our alumni as they continue to walk with God in a dark country without much Christian support.

Now what?

The day our students left for Japan was the day I began support raising full-time! It has been such a blessing to meet personally with so many people who are praying for me and supporting me! My days are busy with meetings, an online Teaching English as a Foreign Language (TEFL) class, Japanese class and doing some work for my dad. God is faithful and I am trusting Him for all I need.

Thank you very much for your financial support and prayers!

There’s lots of snow in Karuizawa, Japan where SYME is located! The students and staff had some good bonding time shoveling and sledding!

The last day Senri and Yumi stayed with my family in February we took them for a fun day at the Baltimore Aquarium!

Prayer & Praises:

Pray for travel safety as I meet with many people and churches to share about the ministry in Japan!

Pray for our staff team in Japan who are now in their second week of the spring term.

Praise God for how He is providing for my support needs and growing my confidence in Him through the process.
