

Nippon NEWSFLASH

“He must increase, but I must decrease.”
John 3:30

ありがとうございます! Thank you so much for your prayers!

Four of my co-workers and I are finishing up our second month of language school! We are learning SO much and attempting to practice what we have learned in our interactions with people from Himeji Church and those we meet in town.

Getting involved...God blessed me with the opportunity this week to hold a Heart to Heart women's Bible study like we do at SYME with our students. Four ladies from church attended! We had dinner together and then learned about our identity in Christ from Moses' life and 2 Corinthians 5:21.

The young people at Himeji Church are so passionate about knowing God and sharing the gospel with their unsaved friends and family members. I am often challenged by their passion and service. God has given me a burden for these young people. I am looking for creative ways to encourage them and build relationships with them. As my Japanese learning increases, I would love to disciple some of them in the future.

Once again, thank you for your prayers and generous support! Thank you for being a part of reaching this nation for Christ!

Hiroki was one of the boys who were baptized on Sept 9th.

Prayer & Praises:

Praise God for an English Cafe that will be held every Saturday evening in October as a church outreach! This is the same model Word of Life uses in Karuizawa. Pray for people to come and opportunities for the church people to lead the conversations to spiritual things.

Pray for all 5 of the Word of Life staff members studying Japanese. Pray for strength to study hard and wisdom to know when and how to rest.

Bottom Left: Our youth at church are practicing sharing their faith with each other so that they are prepared for real life situations.

This is our Japanese classroom. The teacher pictured is Ms. Kanazawa. Please join us in praying for her salvation.
